Sixth Form Open Evening 2022

Wednesday 2 November 2022, 5.00PM-7.30pm

Presentations from the Principal at 5.30pm and 6.30pm

“Unique and professional environment for learning in a cooperative manner with highly qualified teachers from specialised industries” Josh

CAST is an inspiring, specialist science academy. The college offers a sixth form programme of A level and T level courses along with a unique opportunity to work with nearby business organisations involved in science, engineering and technology.

CAST Sixth Form is a high performing, firmly established sixth form with a strong track record of both academic excellence and student progress. The sixth form has a vibrant atmosphere with a wealth of opportunities while at the same time being small enough to ensure our students are all known and treated as individuals.

Students work in state-of-the-art laboratories and facilities, learning in innovative and exciting ways, supported by CAST’s unique partnerships with business. CAST therefore gives its students a head start into their future careers.
