# Year 9 and Year 10 Open Evening 2022

## Wednesday 28 September 2022, 5.00pm—7.30pm

### Presentations from the Principal at 5.30pm and 6.30pm

*"I came to CAST to explore the sciences and the school has delivered that. I have learnt so much here and gained countless opportunities." Jahleel*

*"Going to CAST has improved my grades and my focus towards learning. It has given me insight to how the workplace functions and what I need to achieve to get to my future goals." Ella*

CAST is an inspiring, specialist science academy. The college offers a programme of GCSE, A level and T level courses along with a unique opportunity to work with nearby business organisations involved in science, engineering and technology.

Students work in state-of-the-art laboratories and facilities, learning in innovative and exciting ways, supported by CAST's unique partnerships with business. CAST therefore gives its students a head start into their future careers.
